Note:

- A. It would be mandatory for Monument Mitra, who is opting for a monument from green category to choose at least one site from either orange or blue category. However, the Monument Mitra will have full flexibility to choose any number of monuments from orange /blue without opting in green category. The interested parties selecting more numbers of monuments from orange and blue category shall be given higher weightage.
- B. The Interested parties may opt for any other heritage site / monument or tourist site not mentioned in the above list, under the project.
